Title: Insane

download from: <http://www.lyricsdisc.com>

Somebody told me it was over
Nobody told me where it began
No one believes in you
I understand
Like a blind man who's lost his way
No one hears a word of what you say
I forgive you
Would you do the same
I would believe you
If only you'd be true
I would believe if it were true

Everybody wants to be a winner
Nobody wants to lose their game
Its insane for me
Its insane for you
Its insane

I don't know where you been looking
I think it's only in your mind
Tied so tight inside of you all the thoughts unkind
I would believe you If only you'd be true
I would believe if it were true

Cause everybody wants to be a winner
Nobody wants to lose their game
It's the same for me
It's the same for you

It's insane

I would believe you if only you'd be true
