Title: Inside You

---

I'm no reaching into you  
Everything you do  
Leads to my disgrace  
Show me your face

I can see myself inside of you  
I can see myself inside of you

What's beneath your flesh  
Hate you can't express  
I can trick myself  
Like everybody else

I see myself inside of you  
I can see myself inside of you

Look inside my head  
Imbedded with the knowledge  
Deep with in my skin  
That I will never know where to begin

Your image is above me  
Far and beyond my reach  
I stand alone and wait for you to teach

I'm obsessed with everything you do  
I won't stop till you say it's through

I can see my self inside of you  
I can see my self inside of you
