Title: Is you

download from: <http://www.lyricsdisc.com>

Sometimes when I think about it
I never really thought of it before
And Those times when I think about it
It only leaves me wanting something more

Could it be I am mistaken?
Could it be I am misled?
Maybe I'm need of something else

All I see is you
Kissing me softly
Is you
A feeling so lovely
Holding my hand, kiss me again
Is you
Looking at all of me
Is you
Touching me so gently
All I see is you
And all I see is you

What was not suppose to happen
Happened to you and me today
What I promise myself not to feel
I feel anyway

Should I say 'I think you're nice'
Tell you that I love your eyes
I like it when you're hanging around me

All that I see is you
Kissing me softly
Is you
A feeling so lovely
Holding my hand and kiss me again
Is you
Looking at all of me
Is you
Touching me so gently
All I see is you
And all I see is you

I'm so in love with you
And I know we're 'the two'
And I think that it's you

Is you
Kissing me softly
Is you
A feeling so lovely
Holding my hand, kiss me again
Is you
Looking at all of me
Is you
Touching me so gently
All I see is you
And all I see is you

(repeat chorus)

I'm so in love with you
And I know we're 'the two'
And I think that it's you
All I see, all I see
