Title: Island

download from: <http://www.lyricsdisc.com>

---

You take me to an island  
Far from all my cares  
Not really a place more  
In my heart somewhere

When I look into your eyes

I feel peace around me  
Soft rain upon dry waste  
A river of life flows  
Through my emptiness

When I look into your eyes

You take me away into your grace  
Deep in the light and life I
