I thought it was funny  
when you missed the train  
When I rang you at home  
they said you'd left yesterday  
I thought it was strange  
when your car was found  
By the tree in Ennis  
where we used to hang around

Dear Isobel, I hope you're well  
and what you've done is right  
Oh it's been such hell, I wish you well,  
I hope you're safe tonight

It's been a long day coming  
and long will it last  
When it's last day leaving,  
and I'm helping it pass  
By loving you more.

And who he would become,  
all the things he'd have done  
Would he have loved you  
and not let you down  
And would he be stronger  
than his father  
Don't punish yourself,  
leave it well alone

Dear Isobel, I hope you're well  
and what you've done is right  
Oh it's been such hell,  
I wish you well,  
I hope you're safe tonight

It's been a long day coming  
and long will it last  
When it's last day leaving,  
and I'm helping it pass  
By loving you more.
