

I keep trying  
but I'm running out of ways to make you want me baby  
I cannot be everything you want you drive me crazy  
you're never satisfied  
its not even worth a try times are for making up your mind  
maybe we'll never see eye to eye

so treat me cruel to be kind  
lets play it straight down the line  
I'm sure you wanna be mine  
but it ain't obvious

why cant you just let it be  
what would you have me believe  
I'm sure you really want me  
but it ain't obvious

why don't you put a little trust in me  
and let it go  
if you don't take a chance  
how will you ever know  
baby im on your side

have I been foolish all along  
have you been leading me on  
just to walk away  
if this is where you belong

so treat me cruel to be kind  
lets play it straight down the line  
I'm sure you wanna be mine  
but it ain't obvious

why cant you just let it be  
what would you have me believe  
I'm sure you really want me  
but it ain't obvious

but it ain't obvious  
but it ain't obvious  
but it ain't obvious  
but it ain't obvious

come on wont you be with me  
what would you have me believe  
come on wont you be with me  
oh no no

if its not even worth a try times are for making up your mind  
maybe we'll never see eye to eye

no no

(treat me cruel)  
lets play it straight down the line
