

It is time to remember
It is time to forget
It is time to be dry
It is time to be wet
Look over the mountains
Look out in the sea
It is time

It is time to forgive
It is time to be forgiven
It is time to make play
It is time to make a living, yeh,
Look out in the mountains
Look out in the sea
It is time
It is time
It is time

Time to be in
It is time to be out
It is time to stop twisting
It is time to shout, yeh

Look out over the sunrise
Look out in the sea
It is time
Look out in the city
Look out in the beach
It is time

It is time to be in
It is time to be out
It is time to be forgiven
It is time to shout
Look out in the city
Look out on the beach
It is time
Look out in the mountains
Look out over the sea
It is time
Yeh, it is time.
