

There is something that I see, in the way you look at me
There is a smile there is a truth in your eyes
But an unexpected way on this unexpected day
Could it be this is where I belong?
It is you I have loved all along!

It is no more mystery
It is finally clear to me
You are the home my heart searched for, so long!
And it is you I have loved all along!

There were times I ran to hide
afraid to show the other side
alone in the night, without you

But now I know just who you are
and I know you hold my heart
finally this is where I belong
It is you I have loved all along

It is no more mystery
It is finally clear to me
You are the home my heart searched for, so long!
And it is you I have loved all along!

Oh over and over, I am filled with emotion
your love, it rushes through my veins
And I am filled
with the sweetest devotion
As I, I look into your perfect face!

It is no more mystery
It is finally clear to me
You are the home my heart searched for, so long!

And it is you I have loved
It is you I have loved
It is you I have loved all along!
