Title: It must be love

download from: <http://www.lyricsdisc.com>

I never thought I'd miss you
Half as much as I do
And I never thought I'd feel this way
The way I feel about you
As soon as I wake up every night every day
I know that it's you I need
To take the blues away

It must be love, love, love
It must be love, love, love
Nothing more, nothing less
Love is the best

How can it be
That we can say so much without words
Bless you and bless me baby
Bless the bees and the birds
I've got to be near you every night, every day
I couldn't be happy any other way

It must be love, love, love
It must be love, love, love
Nothing more, nothing less
Love is the best
