

(Kent Robbins/Dana Oglesby)

It's hard describing a heartache  
All because it's a one of a kind of thing  
A serious injury  
And a whole lot of endless pain  
If it was a storm  
I'd compare to a hurricane  
Oh it's even got a name

If it was a drink  
It would be a strong one  
If it was a sad song  
It would be a long one  
If it was a color  
It would be a deep deep blue  
But if we're talking about a heartache  
It would be you

If it was a full moon  
It would be a total eclipse  
If it was a tidal wave  
It would sink a thousand ships  
If it was a blizzard  
It would be a record breaking cold  
If it was a lie  
It would be the biggest story you've ever told

If it was a drink  
It would be a strong one  
If it was a sad song  
It would be a long one  
If it was a color  
It would be a deep deep blue  
But if we're talking about a heartache  
It would be you

If it was a color  
It would be a deep deep blue  
But if we're talking about a heartache  
It would be you
