

It's a small world.  
it's a small world.  
it's a small world.  
it's a small world.

It's a world of laughter, a world of tears.  
it's a world of hope and a world of fears.  
there's so much that we share,  
that it's time we're aware  
it's a small world after all.

(CHORUS)

it's a small world after all  
it's a small world after all  
it's a small world after all  
it's a small, small, small, small world.

There is just one moon, and one golden sun.  
and a smile means friendship to everyone.  
though the mountains be wide.  
and the oceans are wide.  
it's a small world after all.

it's a small world after all  
it's a small world after all  
it's a small world after all  
it's a small, small world.

(spoken)

it's a small world after all  
no matter if you're big or small  
come on everybody let's bounce to this!  
let's play some love with a little twist!

it's a small world  
it's a small world

it's a world of laughter, a world of tears  
it's a world of hope and a world of fears  
there's so much that we share  
that it's time we're aware  
it's a small world after all

it's a small world!

it's a small world (after all) after all (everybody now!)  
it's a small world (after all) after all (can you hear me now?!)  
it's a small world after all (come on! come on!)  
it's a small, small, small, small world

it's a small world (after all) after all (everybody now!)  
it's a small world (after all) after all  
it's a small world after all  
it's a small, small, small, small world

(REPEAT CHORUS 2 MORE TIMES)
