emotional stress, and a distorted collage  
carefully lodged between beats of rhythmic barrage

The four elements of natural force. Projected daily thru the  
sound of the blend, the sword with tha pen, the mightiest chin.  
The elevate of mental states long gone with tha wind,  
To defend men for shoddy imatation pretends.  
Its goin down, Stallence emulation readily,  
Trekking through the weaponry of the pure pedigree,  
Cleverly seeing thru what  
ever is ahead of me, What ever tha weather be,  
We invent the steadily, Its goin down to sub-terrestrial high, I rhyme  
regiment thats callin tha shots, execution of collaborative plots,  
Ready to bring the seperation of style to a stop
