

Refrain:

What kind of love have you got  
You should be home but you're not  
I don't wanna believe that it's over now  
I could be wrong but I'm not  
And you still think you're on heart  
I dont wanna believe that it's over now

Can you tell me a secret  
Then I'll tell you mine  
Show me that you still love me  
Then I will show real love  
Uh baby

Refrain:

What kind of love have you got  
You should be home but you're not  
I don't wanna believe that it's over now  
I could be wrong but I'm not  
And you still think you're on heart  
I dont wanna believe that it's over now

You are walking the wire  
Looking for a loving between  
But you don't have desire  
Do you know what I mean  
Uh baby

Refrain:

What kind of love have you got  
You should be home but you're not  
I don't wanna believe that it's over now  
I could be wrong but I'm not  
And you still think you're on heart  
I dont wanna believe that it's over now

It's over now

Wake up you loose my loving  
Wake up we're used to thinking  
Think twice about the things  
That you have said and done

Wake up you loose my loving  
Wake up we're used to thinking  
Think twice about the things  
That you have said and done

Refrain:

What kind of love have you got  
You should be home but you're not  
I don't wanna believe that it's over now  
I could be wrong but I'm not  
And you still think you're on heart  
I dont wanna believe that it's over now

It's over now
