

Even the lover makes a mistake sometimes
Like any other fall out and lose his mind
And I'm sorry, for the things I did, for your teardrops
All the word i said, can you forgive me and open your heart once again,
Oh yeah

It's True ,I mean it
From the bottom of my heart
Yeah it's true, without you I will fall apart

Whatever happened, I know that I was wrong(oh yes)
Can you believe me, maybe the faith is gone(oh yes it is)
But I love you and I always will
So I wonder , if you want me still
can you forgive me and open your heart once again

It's True ,I mean it
From the bottom of my heart
Yeah it's true, without you I will fall apart

I'll do anything to make it up to you
So please understand
And open your heart once again

It's True ,I mean it
From the bottom of my heart
Yeah it's true, without you I will fall apart

It's True
