Title: It's your love

download from: <http://www.lyricsdisc.com>

Dancing
in the dark
Middle of the night
Taking your heart
Holding it tight
Emotional touch
Oh, touching my skin
Asking you to do
What you've been doing all over again

Oh, it's a beautiful thing
Don't think I can keep it all in
I've just gotta let you know
What it is that won't let me go

It's your love
Just does something to me
Sends a shock right through me
Can't get enough
So if you wonder
'Bout the spell I'm under
It's your love

Better than I was
More than I am
All of that happened
By taking your hand
Who I am now
Is who I wanted to be
Now that we're together
Stronger than ever, happy and free

Oh, it's a beautiful thing
Don't think I can keep it all in
If you ask me why I'll change
All I gotta do is say your sweet name

[Chorus 2x]

Oh, it's a beautiful thing
Don't think I can keep it all in
I've just gotta let you know
What it is that won't let me go
