Title: I've got to see you again

download from: <http://www.lyricsdisc.com>

Lines on your face dont bother me
Down in my chair when you dance over me
I cant help myself
Ive got to see you again

Late in the night when Im all alone
And I look at the clock and I know youre
not home
I cant help myself
Ive got to see you again
I could almost go there
Just to watch you be seen
I could almost go there
Just to live in a dream

But no I wont go for any of those things
To not touch your skin is NOT why I sing
I cant help myself
Ive got to see you again

I could almost go there...

No I wont go to share you with them
But oh even though I know where
youve been
I cant help myself
Ive got to see you again
