

words & music by Vonda Sheppard

I do not measure the space between  
Moments of pleasure we'll someday see

If you need a reason let me know  
If you need the answer you will know  
If you say tomorrow you will go, you will go away

(Chorus)

There is no limit

Jam Karet Jam Karet  
Open every window  
Jam Karet  
There is no limit  
Jam Karet Jam Karet

I do not measure the distance  
Or instigate any resistance

If you need a reason let me know  
If you need the answer you will know  
If you say tomorrow you will go, you will go away

(Chorus)

There is no limit

Jam Karet Jam Karet  
Open every window  
Jam Karet  
(There is no such thing as time)  
Stretching every minute  
Jam Karet Jam Karet  
There is no limit  
Jam Karet Jam Karet

I'll light the fire within you  
You can make mountains move too

(Bridge)

Ooh with my truer friends  
I do not notice when the clocks unwind

(Chorus)

There is no limit

Jam Karet Jam Karet  
Open every window  
Jam Karet Jam Karet  
(There is no such thing as time)  
Stretching every minute  
Jam Karet Jam Karet  
As long as we are in it  
Jam Karet Jam Karet

(Chorus)
