

Don't be late
Cause I can't wait
And you know I've been looking forward to our time
Don't be shy
Boy, I'll erase
I'll make you over, you'll be new Angelo, let me hear you say my name

Come on in from the rain
Come, I'll warm you again
Je M'Appelle Rachel
I wait
Come on here, right this way
I will live what you say
Je M'Appelle Rachel
Fire away

Old sweet sins
You must not fear
Shame little know me, dont believe all the things you hear
Cause they won't know
If I don't say
So don't think it over, lets go Angelo, let me hear you say my name

Come on in from the rain
Come, I'll warm you again
Je M'Appelle Rachel
I wait
Come on here, right this way
I will live what you say
Je M'Appelle Rachel
Fire away

Some like it hot
And some need to cry
Sing nothing, baby
Make up your own mind
What you want
If you are game
I'll make you over
You'll be new, Angelo, let me hear you say my name

Come on in from the rain
Come, I'll warm you again
Oh now, Angelo, let me hear you say my name

Come on in from the rain
Come, I'll warm you again
Je M'Appelle Rachel
I wait
Come on here, right this way
I will live what you say
Je M'Appelle Rachel
Fire away

Come on in from the rain
Come, I'll warm you again
Je M'Appelle Rachel
I wait
Come on here, right this way
I will live what you say
Je M'Appelle Rachel
Fire away
