(Jealousy) Why'd you have to say my mother's name?
(Jealousy) I could kill you or leave you shamed
(Jealousy) Let me introduce you to the world of jealousy
(Jealousy) It can get you killed, shot
(Jealousy) Mainly ones who stand out amongst others
(Jealousy) Meaning those who are on, opposed to those who are not
(Jealousy) It's a shame
Watch out for them they are officially out there (Jealousy)
Jealousy comes from a few forms such as like (Jealousy)
Who get the most pussy; or I heard he got the most money (Jealousy)
Or tellin you I ain't the best MC
(Jealousy) Things of that nature
(Jealousy) .. (Jealousy) .. (Jealousy) ..
