

How wonderful it is to know that Jesus is
All that I need to make my life complete
And He's so much more, Yeah
He reached for me when all else
Went away
He wouldn't leave, through the tough
Times He stayed
He's stood by me 'till his love I could see
And now I'm secure

And in His power nothing's gonna
Conquer me
I just believe what He says I will be
I won't be stopped as long as I am in
His hands
And when all else fails me on Him
I can stand
'Cause He's a bridge

(Chorus)
He's a bridge so let him take you over
He's a rock that's higher, higher than I
He's a way when there is no other
Jesus is, He's a bridge

Jehovah Shalom, He is my peace
Jehovah-Rophe the God that healeth me
He's El-Shaddai and He's more than
Enough of everything I need
It's by His Grace that He's made me His
'Cause everything that I'm not, Jesus is
With new compassions everyday in my soul
He does feed

And in His power nothing's gonna
Conquer me
I just believe what He says I will be
I won't be stopped as long as I am in
His hands
And when all else fails me on Him I
Can stand
'Cause He's a bridge

(Chorus)
He's a bridge so let him take you over
He's a rock that's higher, higher than I
He's a way when there is no other
Jesus is, He's a bridge
