

They will sum it all up in a sentence  
A verdict made by those who know  
I'm ready to make a commitment  
I'm willing to make love to concrete  
Smiles  
Bruises  
Smiles  
Bruises  
Bars in the womb  
I hide the dirty minutes under my dirty mattress and they are making me itch  
My time  
Is spilt milk  
My skin is a layer of soot  
I'm spending my days scrubbing  
I'm trying so hard to act like nothing happened (no one left to blame)  
I'm trying so hard to find that fresh, clean smell (no one left to blame)  
Smiles  
Bruises  
Smiles  
Bruises  
Bars in the womb  
I hide the dirty minutes under my dirty mattress and they are making me itch  
My time  
Is spilt milk  
Cruel world sleeps above me  
Mounting and teasing  
I AM WHAT I DO  
I AM WHAT I'VE DONE  
I'm sorry  
Sorry  
Sorry  
Sorry
