

Joe Rey came from Spain
Across the ocean in the frozen rain
And he loves
Point point pointing the finger

Joe Rey is stoned all day
With two hairdressers in a Chevrolet
For a while
I think Joe Rey's gonna linger

Joe Rey is not so pretty
I can't understand why he's so in demand
He stays out late in the city, sometimes, sometimes

Joey Rey smokes at three
Barks like a pigeon
And watches TV
He's cool, cool, cool, cooler than I am
He knows what I don't know
Got seventeen different words for snow that he signs
Signs to a deaf girl named Diane

Joe Rey is not so pretty
I can't understand why he's so in demand
He stays out late in the city, sometimes, sometimes

Joe Rey is not so pretty
I can't understand why he's so in demand
He stays out late in the city, sometimes, sometimes, sometimes, sometimes

Joe Rey came from Spain
Across the ocean in the frozen rain
And he loves
Point point pointing the finger

Joe Rey loves
Point point pointing the finger
Joe Rey loves
Point point pointing the finger
Joe Rey loves
Point point pointing the finger
