

You can't run away.
You can't run away.
It's payback time it's judgement day.

Wake up in the morning pray to god you know why.
I believe from bottom of my heart that's no lie.
Lord forgive me and every human being I ain't shy.
cheatin' whitchin' blaces in the line we all will die.
Non-believers back stabbin' everyday.
Diggin' deeper daily constantly your own grave.
I refuse loosing confidance in god I pray.
Heartbeat increasin' you approach the witness stand.
Flashbacks on your mind as you shake and leftyour right hand.
Twelve o'clock broad day light.
Fasten your seat belts makin' sure that they've pull tight.
Judgement day I can see it in your eyes.
Put your hands in your pocket grab your wallet and don't lie.
Let me tell you one thing my man time has come.
No where to hide and no where to run.

You can't run away.
You can't run away.
It's payback time it's judgement day.

With the bible in my hand I preach and teach from land to land.
How many times must I say it 'til you understand.
Someday we all gotta pay.
Butt naked we came butt naked we go away.
Let me know the reason why you are killing for.
Stop looking at the man livin' right to your next door.
Grab a hand and help as much as you can.
Ain't necessary for nobody to eat out of a garbage can.
If you know what I am sayin'.
Straight from the messenger's mouth with no delayin'.
You had time to change your mind.
You go for yours and I will go for mine.
Judgement day I can see it in your eyes.
Put your hands in your pocket grab your wallet and don't lie.
Let me tell you one thing my man time has come.
No where to hide and no where to run.

You can't run away.
You can't run away.
It's payback time it's judgement day.
