

Artist: undertones

Title: Julie Ocean

download from: <http://www.lyricsdisc.com>

So sad to see you've got silver
She's gonna break your dancing heart
Nothing good lasts forever
And sometimes nothing starts

Julie Ocean - always on fire
Julie Ocean - crazy desire

You can't scratch her serious anger
Or touch her sensitive nerve
Watch her faking her power
Smiling as she would

Julie Ocean ...

That's typical girl

Julie Ocean ...
