

We're the kids, we're the kids
We're the kids of the future
We're the kids, we're the kids
We're the kids of the future

Standing on a dirty old roof top
Down below the cars in the city go rushing by
I sit here alone and i wonder why
Come on lewis keep moving forward
Hold your head up high theres no time for looking down
You will not believe where we're going now

Here we go, let me remind you
Look ahead, the past is behind you

We're the kids of the future (whoooooa)
We're the kids of the future (whoooooa)
Everybody live cause the future, its now

Bright lights, boy look around you
Your imagination is working overtime
The world that you dreamt of has now arrived
Hot shot its the greatest adventure
Is where its the family you searched for comes alive
So come meet the robinsons

Looking for a place you belong to
Looking for a family that wants you

We're the kids of the future (whoooooa)
We're the kids of the future (whoooooa)
Everybody live cause the future, its now

Na na na na na na
Na na na na na na
Na na na na na na (sing!)
Na na na na na na

Everday have fun me and wilber
So happy to be here with the robinsons
I finally feel like i can be someone
Outside a new day is dawning
Outside the daylight is sprawling everywhere
I know that its right because

We'll save the future together
This family is forever

We're the kids of the future (whoooooa)
We're the kids of the future (whoooooa)
Everybody live cause the future, its now

Na na na na na na
Na na na na na na
Na na na na na na (sing!)
Na na na na na na

We're the kids, we're the kids
We're the kids of the future

We're the kids,we're the kids
We're the kids of the future
