

Here it is lonely
Here where i lie
Here it is empty
Here in my heart
Here there is no one
Here where i am
Here it is empty
Here in my heart
Here where i lie

Grab the handle
Cock the hammer
Pull the trigger
Change the channel
Grab the handle
Cock the hammer
Change the channel
Pull the trigger

Kill everyone now
Please, kill everyone now
Kill everyone now

I guess they'll be breast-feeding in space soon
Remember, a stitch in time saves precious bodily fluids
There is no future without - Plastic! Plastic! Plastic!
Chairman mao was a great cook, he fel all of china
One billion
Two billion
Three billion
Four billion
Five billion
Six billion
Served, served, served, served
Would you like fries with that, ma'am?
How 'bout a sundae?

Here it is lonely...

Kill everyone now
