No more carefree laughter
silence ever after
Walking through an empty house with tears in my eyes
Here's where the story ends
this is goodbye

Knowing me and knowing you (uh-huh)
there is nothing we can do
Knowing me, knowing you (uh-huh)
we just have to face it this time we're through
(This time we're through)
Breaking up is never easy I know but I have to go
Knowing me, knowing you
It's the best I can do

Memories, good days, bad days
They'll be, with me, always
This old familiar room where children would play
Holds only emptiness
nothing to say

Knowing me, knowing you (uh-huh)
There is nothing we can do
Knowing me, knowing you (uh-huh)
We just have to face it this time we're through
(This time we're through)
Breaking up is never easy I know but I have to go
Knowing me, knowing you
It's the best I can do
