

<pre>Bb F (3 times)

G C G C  
I've got a lady doctor She cure da pain for free  
G C Bb F G  
I've got a lady doctor Oh there ain't nothing wrong with me.  
G C G C  
I went in with a heart burn into the surgery  
To my surprise two pretty eyes was running up and down me.  
Said now be a patient patient stretch right out on that couch  
Help yourself to the pills cure your ills  
Bb F G  
I'm never gonna square it on out.

REPEAT CHORUS

Well all the cats said go see her it's only just down the road  
You go in with pneumonia come out with just a heavy cold  
She won't give you no jargon no medical how-do-you-do  
Well just get right down under that stethoscope  
Baby let that lady mess on with you.

REPEATR CHORUS (then instrumental chorus)

REPEAT CHORUS (twice, sung up an octave)

Ain't nothing wrong with  
Ain't nothing wrong with me  
Bb F Bb F C Bb F G  
Ooh ooh ooh ooh lady doctor yeah. </pre>
