[Chorus:]
Last Christmas
I give you my heart
But the very next day, you gave it away
This year
To save me from tears
I'll give it to someone special
Repeat ^
(only at begining and end)> I'll give it to someone.....special
lalalalalalalalalala

Once bitten and twice shy
I keep my distance
But you still catch my eye
Tell me baby
Do you recognize me?
Well
It's been a year
It doesn't surprise me
Happy Christmas,
I wrapped it up and sent it
With a note saying "I love you"
and meant it
Now I know what a fool I've been
But if you kissed me now
I know you'd fool me again

[Chorus x2]

A crowded room
Friends with tired eyes
I'm hiding from you
And your soul of ice
Oh my I thought you were
Someone to rely on
Me?
I guess I was a shoulder to cry on
A face to discover with a fire in her heart
A man under cover but
You tore me apart, ooo-ooo
Now I've found a real love you'll never fool me again

[Chorus x2]
Last Christmas
I gave you my heart
But the very next day, you gave it away
This year
To save me from tears
I'll give it to someone special
I'll give it to someone.....special
