

You promised me that I'd be
The only one you'd ever love
And all of our dreams would come true
And I could always count on you.

Liar, cheater
I bet you break more hearts than anyone
Loser, leaver
Sometimes I think you do it just for fun
Liar.

You said the stars were all ours
And that heaven's just a kiss away
And when we were old you would hold me
And love me 'til our dying day

Liar, cheater
I bet you break more hearts than anyone
Loser, leaver
Sometimes I think you do it just for fun

Love's gonna get you back someday
Love's gonna get you hey, hey, hey
Love's gonna be the price you pay

Liar, cheater
I bet you break more hearts than anyone
Loser, leaver
Sometimes I think you do it just for fun
Liar.
