

Life's like a road that you travel on  
When there's one day here and the next day gone  
Sometimes you bend sometimes you stand  
Sometimes you turn your back to the wind  
There's a world outside every darkened Door  
Where blues won't haunt you anymore  
Where the brave are free and lovers soar  
Come ride with me to the distant shore  
We won't hesitate break down the garden gate  
There's not much left today  
Life is a highway  
I want to ride it all night long  
If you're going my way  
I want to drive it all night long

Through all the cities and all these towns  
It's in my blood and it's all around  
I love you now like I loved you then  
This is the road and these are the hands  
From mozambique to those memphis nights  
The khyber pass to vancouver's lights  
Knock me down get back up again  
You're in my blood I'm not a lonely man

There's no load I can't hold  
Road so rough this I know  
I'll be there when the light comes in  
Tell 'em we're survivors

Chorus x2

There was a distance between you and I  
A misunderstanding once but now  
We look it in the eye

There's no load I can't hold  
Road so rough this I know  
I'll be there when the light comes in  
Tell 'em we're survivors

Chorus x 3
