---

Once I was alone  
Some mistakes in my past  
Had left me living on my own  
My only prayer  
Was the fate of my past  
I wondered if you were still there

I was hiding in the shadowlands  
Scared to admit I was a broken man

Now I'm missing you  
Every thought every word everything  
Leads me back to you  
Can you forgive me  
Just a touch of your hand  
And I
