If only we hadn't gone so far  
things would be different here just now  
I didn't know what i had done  
would it be different if you had of cum

I can take it if you hold me

I met her last night again after hours  
the only words i could muster was "erm, hi"  
we talked for an hour or two then you left  
I dreamt that night i lay upon your breast  
I can take it if you hold me
