Title: Listen To Your Heart (Furious F. Ez Radio Edit)

download from: <http://www.lyricsdisc.com>

I know there is something in the wake of your smile
I get a notion from the look in your eyes (yeah)
We've built to love but then love falls apart,
A little piece of heaven turns to dark

(Chorus)

Listen to your heart, when he's calling for you
Listen to your heart, there is nothing else you can do.
I don't know where you're going and I don't know why.
But listen to your heart before you tell him goodbye.

Sometimes you wonder if this fight is worth while
The precious moments are all lost in the time.
There swept away and nothing is what it seems
The feeling of belonging to your dreams

(Chorus)

And there are voices that want to be heard
So much to mention but you can't find the words
The scene of magic the beauty that's been,
When love was wilder than the wind.

(Chorus)

Listen to your heart. Mmmm

I don't know where you're going and I don't know why.
But listen to your heart before you tell him goodbye.
