---

I know there's something in the wake of your smile  
I get a notion from the look in your eyes (yeah)  
You've built a love but that love falls apart,  
A little piece of heaven turns to dark

(Chorus)

Listen to your heart, when he's calling for you  
Listen to your heart, there's nothing else you can do.  
I don't know where you're going and I don't know why.  
But listen to your heart before you tell him goodbye.

Sometimes you wonder if this fight is worth while  
The precious moments are all lost in the time. (yeah)  
There swept away and nothing is what it seems  
The feeling of belonging to your dreams

(Chorus)

And there are voices that want to be heard  
So much to mention but you can't find the words  
The scent of magic the beauty that's been,  
When love was wilder than the wind.

(Chorus)

Listen to your heart. Mmmm

I don't know where you're going and I don't know why.  
But listen to your heart before you tell him goodbye.
