

Yeah, yeah niggaz, it's n-o-rezy  
This what I'm talking about right here niggaz  
This what I needed "this is what I needed nigga"  
This is the shit I wanted right here niggaz  
"This the nahsumeaneuheard..... nahsumeaneuheard  
It's off the yellsobob "it's off the yellsobob for real"  
Goin to live my life man  
Stop hating on us.."rule holla at these fools"

Chorus

I love me.. I'm going live my life...hey  
Thug life.. love to know me, same life, same love, same man  
I'm going live my life hey.. thug life  
Lord you know me

Verse 1

So what you thinking I'm supposed to live in the hood my whole damn life  
And get married on the ave. with my damn wife  
I'm going live my life...and she goin live her life  
And we goin be iight  
So shit I send a kite  
To my niggaz in jail, and tell them niggaz we good once n-o sell.  
And to my street niggaz, we done flipped out and beat niggaz  
I made the loudest niggaz, turn discreet niggaz  
As far as these chicks they loving the pipe  
An she don't even like you, one thug in her life  
See, she want nigga that's goin walk the hood with her  
And niggaz try and front on her  
Shit so stress, I can see it in her face  
But she walking down the block  
But with me feel safe  
And then niggaz won't front, have them dudes erased  
It go...

Chorus

Verse2

You see I'm a vet nigga  
And I could take you to school  
And it's my fifth album  
Bout to quit like room's  
So go ahead and try it  
It just don't match, and your man hate that  
Cause y'all just don't match  
Got my gun on me  
And I could walk you upstairs  
Till you get inside the crib girl, I ain't scared  
And tell your man don't be come outside  
Cause the m-unit drop fronters  
I'm a make the nigga run outside  
See I'm a thug for real, I hold the steel  
I could walk you through the hood on the darkest hill  
You see she love nore, plus any nigga like me  
Driving in the drop with a ten cent icy  
Shit she want a thug that's basically  
You see she scared in the projects  
But she safe with me  
Shit n-o-r to the e  
Spinout at ninety, I'm hard with the v  
It go...

Chorus

Ayo good green, but to get some valley sip  
I'm on the westcoast fucking with my cali bitch  
And she always want some in the night and the morning  
Want to know everywhere, where I'm performing  
A shit but it alright just let her ride..  
Yo she down with a nigga, just let her ride  
See I'm going live my life, and she goin live her life

Chorus

Outro

See we just trying to live our life.  
We living our life  
We not even paying attention to y'all dudes man.  
Talking about your paper, I ain't ask you how much money you got homeboy chillout man.  
Word up we just living our life doing our thing thugged out militainment.  
Thugged out militainment you underdig.  
Let's get it percolating in the namsermeanuheard popped off popping off, jump jumped off.  
Off the yellsobob for real  
Get them condoms nigga.

Yeah tonight put the henny away night, we goin drink that crystal shit, that don perion shit.  
Nah nah put the smirnoff away, we not drinking the smirnoff not tonight.  
None of that shit, put the fifty-cent beer away baby.  
We going drink that expensive shit tonight, yeah we going be hollyhood, hollyhood tonight baby.  
IRV gotti good looking my nigga.  
Rule-ski where you at baby we doing it up thugged out militainment.  
We drinking that expensive shit, we partying tonight come with us niggaz  
I'm going live my life
