Written by - Mike Pickering, Paul Heard, Heather Small

As I look out on the World and sigh
watching as you walk on by.
Oh sweet melody, let me hear that voice
so I can feel my heart fill with joy.
Oh yeah such joy
no other feeling has any meaning
nothing compares to this.
You are the reason I still believe in
an everlasting bliss.
I have a hero, how can I feel low
I owe it all to you
Joy, sweet joy
and so I say to you

How can you be so lonely
With me in your life.
How can you be so lonely
