Title: Long Distance Dedication

download from: <http://www.lyricsdisc.com>

---

You would look beautiful  
With wires through your face  
You would look beautiful  
With traintracks for teeth

I need your love, twisted and sick  
Broken and burned, I need your love

I'm leaving  
This town  
To Burn  
Burn down

Fuck what I said in the letters  
I just feel ready to die.
