Title: Look Into My Teardrops

---

Look into my teardrops and darling you will see  
The reflection of an angel that made a fool of me  
Look into my teardrops and you will see the eyes  
That promised me so many things but all of them were lies

Look into my teardrops the mirror of my soul  
You will see the boy who stilled my only world but I couldn't hold  
Look into my teardrops you will see the one  
Who broke my heart forever ain't you proud of what you've done  
[ guitar ]  
Look into my teardrops the mirror of my soul...  
Who broke my heart forever ain't you proud of what you've done
