

Chorus

You abandoned me
love don't live here anymore
just a vacancy
love don't live here anymore

When you lived inside of me
there was nothing i could conceive
that you wouldn't do for me
trouble seemed so far away
you changed that right away

[Chorus]

oh oh

[Mary J Blige]

Love don't live here anymore
just emptiness and memories of what we had before
you went away
found another place to stay another home

[Chorus]

oh oh oh

[Faith Evans]

Through the windows of my eyes
everyone can see the loneliness inside of me
why'd you have to go away
don't you know i miss you so
i need your love

[Chorus]

[Mary J Blige]

[Chorus]

[Both]

love don't live here
love don't live here anymore (x4)
