

Hmm, yeah, yeah, hmm

[Eve]

Hey, yo I don't even know you and I hate you
See all I know is that my girlfriend used to date you
How would you feel if she held you down and raped you?
Tried and tried, but she never could escape you
She was in love and I'd ask her how? I mean why?
What kind of love from a nigga would black your eye?
What kind of love from a nigga every night make you cry?
What kind of love from a nigga make you wish he would die?
I mean shit he bought you things and gave you diamond rings
But them things wasn't worth none of the pain that he brings
And you stayed, what made you fall for him?
That nigga had the power to make you crawl for him
I thought you was a doctor be on call for him
Smacked you down cause he said you was too tall for him, huh?
That wasn't love, babygirl you was dreamin'
I could have killed you when you said your seed was growin' from his semen

1 [Faith]

Love is blind, and love is blind
It will take over your mind
What you think is love may truly not be
You need to elevate and find

[Eve](Faith)

I don't even know you and I'd kill you myself
You played with her like a doll and put her back on the shelf
Wouldn't let her go to school and better herself
She had a baby by your ass and you ain't giving no help
Uh-huh big time hustler, snake motherfucker
One's born everyday and everyday she was your sucker
How could you beat the mother of your kids?
How could you tell her that you lover her?
Don't give a fuck if she lives
She told me she would leave you, I admit it she did
But came back, made up a lie about you missing your kids
Sweet kisses, baby ain't even know s
