

I want to want to be with you
but im working night and day
i came all this way to see you
and you tell me you need space

see everyone i know is compatable
with somebody i know
but i can never get it right
and i dont know were to go
stay away from me
dont you ever leave me alone

ohhhh

Love is gonna get you baby
some day one day it will be
a good love that gets me
love is gonna get you baby
some day one day i will find
somebody for me

I have to talked to all the experts
all the phycics of love
i have prayed for all the answers
to the king of love above
and they all say its enanamus
theres somebody for me
but none of them will tell
where he is were he might be

i want to be with i just want to be alone
ohhh oh
ohhh oh
yea yea

Love is gonna get you baby
some day one day it will be
a good love that gets me
love is gonna get you baby
some day one day i will find
somebody for me

I believe in destiny
i believe in set me free
come and save me with your kiss

bin on my best behaviour
friends say im lookin greater
wont you, wont you
just save me with your kiss
save me with your kiss
wont you just save me with your kiss

love is gonna get you baby
some day one day it will be
a good love that gets me
love is gonna get you baby
some day one day
it will be a good love that gets me
love is gonna get you baby
some day one day i will find
somebody for me
