

(Marion Raven)

You just said the worst thing you could ever say  
Well, I don't understand why it just can't be this way  
I'm crying because of you

Chorus

I hate, yes I hate all your lies  
I'm so scared  
And I fear what I see in your eyes  
But I hope, and I dream, and I wish, and I pray  
That you have some love left for me  
Do you have some love left for me?

You just did the worst thing you could ever do to me  
Well, I don't understand why and I cannot see  
That it's hurting because of you

Chorus

Do you have some love left for me?  
Do you have some love left for me?

Chorus...

I hate, yes I hate all your lies  
I'm so scared  
And I fear what I see in your eyes  
(you don't feel anything)  
But I hope, and I dream, and I wish, and I pray  
That you have some love left for me  
Do you have some love left for me?
