---

Thinking back over my years I guess I shedded some tears  
Told myself time and time again 'This time I'm gonna win'  
But in every fight things ain't right, losin' again  
Takes a fool to lose twice, start all over again

Chorus:

Think I'd better let it go  
Looks like another love TKO  
Think I'd better let it go  
Looks like another love TKO

Tried to take control of love, love took control of me  
'Cause you lose all thought, sense of time and have a change of mind  
Takin' the bumps and the bruises of all the things\* of a two-time loser  
Try to hold on, faith is gone, it's just another sad song

Chorus

Think it's time to let it go  
Feels like another love TKO  
Think it's time to let it go  
Feels like another love TKO

Tried to take control of the love, love took control of me  
'Cause you lose all thought, sense of time and have a change of mind  
Takin' the bumps and the bruises of all the things\* of a two-time loser  
Try to hold on, the faith is gone, it's just another sad song

Think I'd better let it go  
TKO  
Think I'd better let it go  
TKO

Think it's time to let it go  
Feels like another love TKO  
Think it's time to let it go  
Feels like another love TKO
