Title: Love Will Tear Us Apart

[Originally by Joy Division]

When routine bites hard  
and ambitions are low  
And resentment rides high  
but emotion won't grow  
And we're changing our ways,  
taking different roads  
Then love, love will tear us apart  
again [x4]

Why is the bedroom so cold  
turned away on your side?  
Is my timing that flawed?  
our respect run so dry..  
Yet there's still this appeal  
that we've kept through our lives  
Love, love will tear us apart again [x4]

Do you cry out in your sleep  
All my failings exposed  
Get a taste in my mouth  
As desperation takes hold  
Is it something so good..  
Just can't function no more?  
But love, love will tear us apart again [x7]
