Title: Lovin' you

download from: <http://www.lyricsdisc.com>

[Verse 1]

It's been quite awhile
You've really kept me wanting you
You've got some style, so unique
So beautiful, so warm, so deep
Stay with me tonight
Let me know what kind of love
That will remain, forever be
A dream that you have made reality

[Hook]

Lovin' you, wooh
Such an easy thing to do
No you, never know
It's driving me crazy coz it grows and grows
But I won't let it stop
No I'm not giving up
Lovin' you,
Lovin' you
Just a bit too much

[Verse 2]

It's been quite awhile
I've never felt so easily
Wonder how you broke my style
You're close to me I need you now
Stay with me tonight
It's got to be just to much love I could remain and forever be
A dream that had become reality

[Hook]

Lovin' you, wooh
Such an easy thing to do
No you, never know
It's driving me crazy coz it grows and grows
But I won't let it stop
No I'm not giving up
Lovin' you,
Lovin' you
Just a bit too much

[instrumental]

[Hook2x]

Lovin' you, wooh
Such an easy thing to do
No you, never know
It's driving me crazy coz it grows and grows
But I won't let it stop
No I'm not giving up
Lovin' you,
Lovin' you .. ooohh lovin' you
Just a bit too much
