Title: Lucky life

download from: <http://www.lyricsdisc.com>

I'm gonna change tomorrow
Learn a new way to walk
And if I really want to work hard
Gonna find a new way to talk
Lately I've been so restless
It's nothing you can see
So if I really do this thing
Gonna end up with a brand new me

Oh, you lucky world

Oh darling I'm so thirsty
I've never felt this dry
But there's nothing in this bottle
To answer the question why
So I'm gonna change tomorrow
Be different when I rise
I'm gonna get better
You're gonna be surprised

Oh, you lucky world I'm gonna be happy
I'm gonna start clean
I'm gonna lose these blues
Quit being mean
I'm gonna smile
Gonna start new
Be different than today
Oh lucky you

Oh, you lucky world
