

I don't want to be a politician  
I don't want to be a fake  
I don't want to talk about my mission  
I don't want to be a snake

I don't want to be a so-frustated  
Lovely SuperHeroMan

I just want - I just want  
I just want - I just want  
I just want to be your fan - yeah yeah

I don't want to talk about my feelings  
I don't want to say a word  
I don't want to let you knoe my meanings  
I don't care what you heard

I just wanna be your one and only  
Wanna be your sunshine

I don't want - I don't want  
I don't want - I don't want  
I don't want you not to be mine

Chorus:  
Mary Grey - where is your love? (ohohoh)  
Mary Grey - I'm your glove (ohohoh)  
Mary Grey I don't want to talk things over  
I don't want to waste our time  
I don't want - I don't want  
I don't want you not to be mine

I don't want to spend my money on you  
I don't want to tell you lies  
I just wanna know that I'm true  
I don't want to make you cry

Mary I don't want to talk things over  
If there's nothing left to say - hey  
I just want - I just want  
I just want - I just want  
I just want my love: Mary Grey - yeah yeah

Chorus
