---

Racing down on the motorway  
No rest, no place to stay  
He calls it running out of time

Got no place in society  
Forever fought the Philistines  
He forever walked upon his line

Outside of the law  
An eternal war  
No-one can hold him back  
Ready to attack

He's a damned - racing through the night  
He's a damned - will never see the light  
He's a damned - darkness in his eyes  
He's a damned - but metal racer never dies

Don't care what other people say  
Be what you are, take the hotter way  
Don't be a madman, don't give up

Take this heavy sound into your brain  
So it's easier to break the chain  
'Cause heavy metal knows no stop

Outside of the law  
An eternal war  
No-one can hold him back  
Ready to attack

He's a damned - racing through the night  
He's a damned - will never see the light  
He's a damned - darkness in his eyes  
He's a damned - but metal racer never dies

He's a damned - racing through the night  
He's a damned - will never see the light  
He's a damned - darkness in his eyes  
He's a damned - but metal racer never dies

He's racing down the motorway  
No rest, no place to stay  
He calls it running out of time

Got no place in society  
Forever fought against the Philistines  
Forever walked upon his line

Outside of the law  
An eternal war  
No-one can hold him back  
Ready to attack

He's a damned - racing through the night  
He's a damned - will never see the light  
He's a damned - darkness in his eyes  
He's a damned - but metal racer never gonna die!
