Title: Mine all mine

Sun Kisses the Windowsill
And I Am Still On My Second Cup of Pity Me
Yeah, It's Been a Long Night Chasing Ghosts
But At the Most, It's Been a Rude Awakening
All Too Late I Finally See
That It's -
My Loss, My Lonely
My Mistake, Mine Only
Mine All, Mine All, Mine
And It's My Bad, My Broken
All My Should Haves Left Unspoken
Mine All, Mine All, Mine - Yeah
I Drove You to the Edge of the Map
And After That, I Pushed You Off Just to Watch You Fall
You Never Were the Bounce Back Kind
But Boy, This Time You've Proven Me Wrong After All
Now I'm the One Who's Gonna Crawl
'cause It's -
My Loss, My Lonely
My Mistake, Mine Only
Mine All, Mine All, Mine
And It's My Bad, My Broken
All My Should Haves Left Unspoken
Mine All, Mine All, Mine - Yeah
Always Thought I'd Get to Sorry
But the Chance Has Come and Gone
So If It Finds It's Way Back In
I'll Hold On, Hold On, Hold On
My Loss, My Lonely
My Mistake, Mine Only
Mine All, Mine All
Mine All, Mine All
Mine All, Mine
It's Mine All Mine
It's Mine All Mine
Yeah, It's Mine All Mine
All Mine, All Mine
All Mine, All Mine
